Departmental Association

Our college is committed for holistic development of the students studying in this college. Time to time, various co-curricular activities are organized for this purpose in the college. To fulfill this task, in each department, departmental council/association of students of concerned department is formed. For departmental association, few students are selected as office bearers from the concerned department as president, vice-president, secretary, co-secretary, treasurer and class representative. Remaining students of the department serve as members of the association. With the meeting with all the office bearer students, one of the teachers of the concerned department acting as convener prepares the framework for activities/competitions to be performed under departmental association. Such activities are executed in each department. All the students of respective department participate in such activities/competitions. At the end of the academic session, winner students are awarded with medals and certificates.
