

Action Taken Report for Employers' Feedback Responses (Session 2022-23)

Date: 30 May 2023

In view of the feedback responses received by employers, following actions are taken in 2023-24 for enhancing skills of students. It will help in making better students to support the society.

1. Career-counselling and placement cell and skill development cell of the college are directed to organize programs to enhance the skills of students regarding ability to motivate, leadership, communication, decision making, job competency, innovation capabilities, initiative taking capacity and reliability.
2. To organize workshops, lectures and awareness programs for improving ICT and digital skills of the students.
3. All the teachers and conveners of various cells/committees are advised to plan suitable co-curricular and extra-curricular activities to develop above mentioned qualities in the students.
