

Action Taken Report for Parents' Feedback Responses (Session 2022-23)

Date: 30 May 2023

In view of the feedback responses received by parents, following actions are taken for better academic environment in 2023-24.

1. All the teachers, office, lab and library staffs are advised to create student friendly environment in the college campus. Combined efforts should be made to support students in their queries and necessities.
2. To continue with co-curricular, extra-curricular, career related and skill-based activities in the college to support students.
3. To follow academic calendar of the college.
4. To sustain and increase the facilities given to students in office, library, computer lab, drinking water, toilets, sports, cultural, reading room, common room etc.
