A two-day boot camp was organized on 20-21 November 2024 by Devbhoomi Udyamita Yojana at Government College Nainbagh. The boot camp was inaugurated by the Principal-in-charge of the college, Dr. Manju Kogiyal. Mr. Deepak Chauhan, present as an expert on the first day of the boot camp, suggested many measures for self-employment to the students on behalf of Devbhoomi Udyamita Vikas Yojana. He inspired them to use the local resources available for self-employment for their career and made them aware to come forward for entrepreneurship. Mr. Deepak Chauhan also informed the students about the entrepreneurship development taking place at the national and international level. He said that the students need to identify the opportunities at present and move forward, so that they do not have to depend on anyone for a job. He also told that along with studies, students should also hone their skills in entrepreneurship. Through the stories of many successful entrepreneurs, the students were inspired to adopt entrepreneurship.

On the second day of the boot camp, Dr. Sumit, present as an expert from Devbhoomi Udyamita Vikas Yojana, told the students in detail about the financial assistance being provided by the government. He told that a job is only for one person, whereas an entrepreneur provides opportunities for the entire generation. He inspired the students to adopt entrepreneurship instead of a government job. The Principal in charge of the college told that this boot camp will prove to be very meaningful for the career of the students. Dr. Madhu Bala Juwantha, Nodal Officer of Entrepreneurship Development Scheme, welcomed the subject experts present on behalf of Devbhoomi Udyamita Vikas Yojana and while addressing the students, told that every kind of help is being tried from the side of the government to move forward towards entrepreneurship and self-employment. IQAC Coordinator Dr. Parmanand Chauhan conducted the stage and thanked all the people present. A large number of students and local people were present in the boot camp.
